

Your Health & Safety Is Important To Us

As we continue to reopen our communities, the American Community Bank team is taking the following steps for the safety of our customers, employees and the communities we serve.

- All bank employees are instructed to wear face masks
- Social distancing protocols will be maintained
- All customers will be required to wear face coverings for branch entry

We are focused on ensuring the safest and most sanitary work facilities possible. Across our offices and branches, we have increased the frequency of cleanings, as well as focusing on high-traffic and high touch areas.

In addition, we encourage customers to continue taking advantage of our many digital options which provide you with the flexibility to bank in the safety and convenience of your home or office including:

- Online banking
- Mobile banking
- Remote deposit
- Telephone banking
- Debit card

As always, our drive-thru's and Automated Teller Machines (ATMs) are available to conduct transactions 24/7 to limit contact with others as much as possible. Don't forget, you can also access cash surcharge-free at 7/11 ATMs nationwide. In addition, you can check your balance, pay bills and transfer money on our website at acbalways.com, or on our mobile app [ACB Mobile](#) ([Android](#) and [iOS](#)). If you require other assistance, kindly contact your local branch for additional guidance.

Branch Status and Hours of Operation effective July 6, 2020

All branch lobbies are open to the public effective July 6, 2020, and each branch's hours are listed on the "Locations" tab of this website.

We appreciate your understanding and please stay safe and healthy.
